(Bremerton, WA) --- The investigation of a missing Bremerton-area man has moved into a third month since Andre Coleman, 29 was first reported missing on April 04, 2021. The investigation has revealed Coleman got into a vehicle near Winco Foods on Kitsap Way on March 1, 2021, and may have met with foul play. On June 10th, 2021 SWAT teams from Washington State Patrol and Mason County Sheriff's Office secured the address so detectives could safely conduct interviews of persons on scene and to search the area for evidence related to the disappearance of Coleman.

Two Mason County adults were arrested for crimes unrelated to the warrant. Michael Wood, 46 arrested for three counts of unlawfully possessing firearms, possession of a dangerous weapon, resisting arrest and possessing an explosive device. Wood also had a DEA warrant for the sale of methamphetamine. Tawana Hansen, 57 was arrested for unlawful possession of a firearm. They were both booked into the Mason County jail.
